

The URI Green Jobs Networking Meeting
University of Rhode Island, Memorial Union Ball Room
February 23, 2010
10:00-3:00

Morning Feature: A panel of industry leaders discussing current and future trends in the green Industry.

Afternoon Feature: A professional panel discussing issues about owning your own business in a challenging economy.

This event will be a great opportunity to network with leading companies and architects in the green industry as well as meet the students and a university program that will be leading the industry in the future.

Booths are \$150.00 and you can make the check out to University of Rhode Island Career services and send them to Sean Bishop, Ground Effects Landscaping or you can sign up on line at www.Rhodynet.com Click on 2010 events and you can register online. Companies that buy booths also get lunch included for two people.
