

Ed Wright
VP Engineering, Sales, Marketing and Service
Wright Manufacturing

From a young age Ed learned the value of a steady saturating rain to the landscaping business and spent every free moment in the factory of the family business. After studying engineering, he became involved in designing mowers over the past 15 years and now leads the product development and sales side of the business.

State of the OPE Industry and the Latest Trends

Ed will speak to the current state of the Outdoor Power Equipment Industry and the technological, social and political forces that form the latest trends.

9:14AM – 10:15AM – Orleans A+B
