

**Melissa LeVangie, MCS, BS, Certified Arborist
Director of Marketing and Sales
Shelter Tree, Inc**

Melissa comes to us from Shelter Tree Care Products of North Attleboro, MA. Melissa is a Massachusetts, New Hampshire and ISA certified arborist. She is a TCIA CTSP and holds the ISA Tree Risk Assessment Qualification. Melissa holds her certifications in EHAP and First Aid and CPR. She has a passion for sharing her knowledge to help better the industry and the great group of arborists who make this profession so rewarding.

Tree Climbing Gear Inspection

As a professional when we see our tools worn – broken shovels, dull hand saws, broken tined rakes, string trimmer, rolled edged on your shovel, you just know – but when do you retire your climbing helmet, your climbing line or harness? Come learn the basics or relearn some important *shoulds* and *shalls* when it comes to your equipment that you trust your life with and more importantly when to replace it.

1:00PM – 2:00PM - Centerville A+B
